Project skill engineering and master skill engineering

Facilitator : tshingombe tshitadi

Discovery career sciebono

1.scope: career center learner studies , library scie bono ,and compagny school day institute
fund exposition
Science discovery engineering: learner assessment , trademarks training,trainer facilitator engineering product
Course subject relate process learner
Choice outcome

2.puropse : career center learner studies
and compagny an school day
Submission discovery day , engineering studies career prospectus , trademarks training trainer facilitator course

3.requirement : career center learner studies and compagny school compagny tools assessment engineering day
-4.Mission:learner visited exposition learning facilitator asssessor moderator science discovery;
-5.Vision : learner day visited career center
-6.goal of statement of visited Target
Visited library attandance education,and training trainee mission discovery subject : science research fund and technologie science career in education trade industrial:

-**Operation: work**
Information system management key
Attandance day record sheet schedule

7:Intanke:
-Name of facilitator: tshingombe Tshitadi Fiston
-Client name surname : tshingombe Tshitadi
-Name of instituts:St peace college
-Field study: engineering electrical
-Generator male
